## — SLOW

Slow Life is a philosophy of life based on slowing down in order to live in the present moment and fully (and consciously) enjoy the now. Slowing down the pace to allow time for pleasurable activities that make us happy, to bring nature into our home.

The slow philosophy, which inspires our new collection, has also reached the interior design and has materialized in open and connected spaces that allow for interaction with family and guests. Goodbye doors and corridors, hello open spaces.

Slow Life es una filosofía de vida basada en la desaceleración con el fin de vivir el momento presente y disfrutar plenamente (y conscientemente) del ahora. Desacelerar el ritmo para conceder tiempo a actividades placenteras y que nos hagan felices, para introducir la naturaleza dentro de nuestra casa.

La filosofía slow, en la que se inspira nuestra nueva colección, también ha llegado al interiorismo y se ha materializado en espacios abiertos y conectados entre sí, que permiten interactuar con la familia e invitados. Adiós puertas y pasillos, hola espacios diáfanos.

The Slow collection incorporates colors from nature with a chromatic proposal that makes us feel closer to it. Greens stand out in all their shades, but also ochre, beige and blue tones.

The collection is composed of an incredibly beautiful Calacatta ceramic marble and a semi-precious stone such as the Onyx. It is completed by a decoration with plant motifs that transports us to nature.

La serie Slow incorpora colores provenientes de la naturaleza, con una propuesta cromática que hace que nos sintamos más cerca de ella. Destacan los verdes en todas sus tonalidades, pero también los tonos ocres, beige y azules.

La colección está compuesta por un mármol cerámico Calacatta de una belleza increíble y una piedra semipreciosa como es el Ónice. Se completa con un decorado con motivos vegetales que nos transporta a la naturaleza.
